**Every Bowl You Empty  
Fills Someone Else's**

This year Project Concern of Cudahy- St. Francis has been selected as one of the organizations that will benefit from this event. Milwaukee Empty Bowls is an all-volunteer, non-profit organization that uses art to heighten hunger awareness and raise funds that help food pantries and meal programs in Milwaukee. They create hand-made bowls that are offered to the public at our main event in October. A \$20 donation includes a bowl and delicious soup and bread made and donated by area restaurants and bread shops. We hope that you will attend an support Project Concern and other organization working to fight hunger.
